

Avaya 4630SW IP Screenphone

The Avaya 4630SW is a full color, touch screen Web access IP Telephone including applications delivered by Avaya Communication Manager.

Benefits

- **Improved Productivity** with touch screen, menu based interface, call log, speed dial, directory, and web browser features.
- **Simplified wiring** connects to your IP network with 10/100 BaseT Ethernet LAN connection
- **Investment Protection** with easy upgrades via downloadable software and firmware.

Features

- Seven telephony related applications
 - **Phone** – multi-button telephone capabilities supported by Avaya Multivantage with 3 to 5 call appearances plus 21 feature buttons
 - **Speed Dial** – 120 speed dial "buttons" organized into groups for easier access. Names, numbers, and group names are user programmable
 - **Call Log** – list of up to 100 incoming and outgoing calls, including Save to Speed Dial
 - **Directory** – access to corporate telephone directory information on an LDAP (Lightweight Directory Access Protocol) server including Save to Speed Dial
 - **Web access** – provides "browsing" access to HTML web-based information, including support for downloaded Java™ applets.
 - **Voice Mail** – access to voice mail messaging capabilities of a DEFINITY®, AUDIX®, or an INTUITY™ AUDIX, using Avaya Unified Communication Center
 - **Stock Ticker** – Display values of up to 16 individual stocks and up to 3 major stock indexes; updated real time
- Speciality handset support for AB styles
- 5 fixed feature buttons - Speaker, Mute, Headset, Volume Up & Down
- Full Duplex Speakerphone with Echo Cancellation
- 1/4 VGA color, touch screen display (320 dots horizontal x 240 dots vertical)
