User Guides

What is Avaya? Avaya is one of the World's leading manufacturer of Communications Solutions. Headquartered in the United States, Avaya provides many Communication products. Their legacy includes Western Electric, AT&T and Lucent Technologies...

These User guides and Documents cover a wide variety of **Key Systems**, **PBX Solutions** and **IP Phone** solutions.

What is Communication? It is the ability of our solutions to make it possible for you to share information, ideas and progress simply and easily.
